

CURRICULUM VITAE

*Prof. Dr. Eng. **Nabil Fatahalla***

Name	Nabil Kamal Fatahalla
Nickname	Nabil Fatahalla
Date of Birth	19 November 1946
Place of Birth	Cairo-Egypt
Gender	Male
Scientific Degrees	<p>Doctor of Engineering (Dr. Eng.) from Research Institute for iron, Steel and Other Metals, Tohoku University, Sendai-Japan (Degree awarded on 25th of March 1980).</p> <p>Master of Science (M.Sc.) from Mechanical Department, Faculty of Engineering, Al Azhar University, Cairo-Egypt (Degree awarded on 30th of July 1973).</p> <p>Bachelor of Science (B.Sc.) from Mechanical Department, Faculty of Engineering, Ain Shams University, Cairo-Egypt (Degree awarded on 27th of July 1969).</p>
Previous Jobs	<p>Demonstrator: Mechanical Department, Faculty of Engineering, Al-Azhar University, Cairo-Egypt from 28/04/1970.</p> <p>Lecturer Assistant: Mechanical Department, Faculty of Engineering, Al-Azhar University, Cairo-Egypt from 28/02/1974.</p> <p>Lecturer: Mechanical Department, Faculty of Engineering, Al Azhar University, Cairo-Egypt from 09/08/1980.</p> <p>Assistant Professor: Mechanical Department, Faculty of Engineering, Al-Azhar University, Cairo-Egypt from 16/11/1985.</p> <p>Professor of Materials Science, Mechanical Department, Faculty of Engineering, Al Azhar University, Cairo-Egypt from 07/11/1990.</p>
Present Job	Emeritus Professor, Mechanical Department, Faculty of Engineering, Al Azhar University, Cairo-Egypt, from 01/08/2007.
Major Field	Mechanical Engineering (Production Section)
Minor Field	Materials Engineering
Nation's Award	<ul style="list-style-type: none"> I was awarded the "Nation's Award" (Tashgieyya) in the field of Engineering granted by the Egyptian Academy of Scientific Research and Technology in the year 1988.

	<ul style="list-style-type: none"> I was nominated by Al Azhar University for the Nation's Award (Takdireyya) in the field of Engineering at 2013, and 2014
Order of Merit	I was awarded the "Order of Merit" granted by the President of Egypt on 22 of May 1995.
Consultations and National Industrial Activities	<ol style="list-style-type: none"> 1. Consultant of El Nasr Company for Castings (governmental industrial company-general sector), located in Embaba-Giza-Egypt (1982-1993). 2. Nominated as a Member of Board of Directors in General Metals Company (Governmental Industrial Company-General Sector) (1992-1996). 3. Consultant of the Japan International Cooperation Agency (JICA) (1991-1993). 4. Consultant of the Japanese company "Dai-Nippon Construction" (1994-1996). 5. Supervised the "Know-How" translation of founding the Ductile Iron factory in Embaba-Giza-Egypt.
International invitations	<p>I was invited as a Visiting Professor to the following universities:</p> <ol style="list-style-type: none"> 1. France: Domaine University, Grenoble, France (1985) 2. Japan: Research Institute for Iron, Steel and Other Metals, Tohoku University, Sendai-Japan (1988) 3. Germany: Berlin Institute for Technology, Berlin-Germany (1989) 4. Japan: Toyohashi University of Technology, Toyohashi-Japan (1997). 5. Germany: Clausthal University (2005). 6. Germany: Clausthal University (2008)
Reviewer of International Journals	<ul style="list-style-type: none"> Journal of Materials Science (JMSS) Journal-Engineering Sciences, King Abdulaziz University
Steerage of International conferences	<ul style="list-style-type: none"> I contributed as the "Secretary General" of the Second International Scientific Conference of the Faculty of Engineering, Al Azhar University, 21-24 Dec. 1991, Cairo-Egypt. Nominated as the Secretary General of the Al Azhar Engineering 14th International Conference (26-28 Dec. 2017). I was nominated as a member in the organising committee of the 5th Cairo University International Conference on Mechanical Design and Production (MDP-5), 1997, Cairo-Egypt I was nominated in the steering committee of the 5th International Conference of the Egyptian Society of Tribology. 10-12 April 1999, Cairo University, Cairo-Egypt.
Research Publications	50 manuscripts have been published, mostly, in International Journals and Conferences. A separate list is enclosed herewith.

Scientific Supervision	<ul style="list-style-type: none"> • Successfully supervised 4 Ph D and 9 M Sc students (they were awarded their respective degrees). • Current supervision implies one Ph.D. student and 7 M.Sc. students in the field of Mechanical Metallurgy. • Joint supervision: Joint supervision for a Ph. D. student was carried out between Prof. Heinz Palkowski (Clausthal University, Germany) and myself. The student has been awarded his Ph. D. degree in 2008.
Listed in Encyclopedia	A brief about my CV was listed in the "National Encyclopedia for Outstanding Personnel in Egypt". It was published by the Information Authority, Ministry of Publication, in 1992 (page 1253, no. 4037).
Presidency of conferences	Nominated as the Secretary General of Al Azhar Engineering International Conference twice. (i) 21-24 Dec. 1991 and (ii) 26-28 Dec. 2016. <ul style="list-style-type: none"> • Recently, nominated as Secretary General of Al Azhar Engineering International Conference 14th 12-14 December, 2017.
Teaching Experiences	<ul style="list-style-type: none"> • Materials Science (postgraduate) • Mechanical Vibrations (undergraduate) • Mechanics of Materials (undergraduate) • Mechanics [statics and dynamics] (undergraduate) • Engineering Drawing (undergraduate) • Mathematics for Engineers (undergraduate)
Presidency of Student's Association Abroad	During my stay in Japan, to get my Dr. Eng. Degree (1975-1980), I founded the first Egyptian Students' association in Japan. Thereafter, I was elected as the first president for this association in the period 1977-1980.
My Teaching Textbooks	<ol style="list-style-type: none"> 1. Mechanical Vibrations (part I) 2. Mechanical Vibrations (part II) 3. Mathematics for Engineers 4. Mechanical Metallurgy 5. Materials Science for Engineers
Languages	English: Excellent reading and writing, and additionally, fluent English speaking. Japanese: Reasonable reading and writing and very good speaking. Arabic: Mother language
Press-publications and Interviews in the Field of Education and Scientific-Research	More than 100 article were published in the media [National Newspapers] focusing on Development of Education and Scientific Research. Some of which were sent to prime minister and ministers of concern. Their replies implied acknowledgement and they put some recommendations into action. Some of these articles are enclosed herewith. Media activity in the same field implied two TV interviews. Enclosed herewith is one video tape of the Egyptian TV interview.
Public Figure	<ul style="list-style-type: none"> • As the founder of the Egyptian Students Association in Japan I was asked to give Lectures, in English

	<p>language, to acquaint Japanese and foreigners as well about Egypt during the period 1975-1980.</p> <ul style="list-style-type: none"> • As the founder and first president of the Egyptian Students Association in Japan: Meetings with Minister/ Mostafa kamal Helmy and later with Mrs. Jihan Al Sadat [former Egypt First Lady] were held in the Egyptian Embassy in Tokyo to discuss several topics in Japan [1975-1980]. • Hosted by the Egyptian TV [Good Morning Egypt program] to speak about my vision concerning the Development of Education and Scientific Research. Likewise in "Dream Channel" in [Good Morning Dream program]. • Several seminars were organized and held under my care in the Faculty of Engineering Al Azhar University in which several eminent public figures such as: Ambassador Mahdy Abu Al Fotouh, and heads of the board of directors of some selected industrial companies. University staff and also students have gained much knowledge out of these seminars. • Sought by journalists to give my opinions and ideas in reportages published in National Journals about methods of Developing Education and Scientific Research. This was a reflection to the numerous lengthy creative articles published for me in the media. • Elected as a Member in the Board of Directors of Egyptian/Japanese Friendship Society.
Social Status	<ul style="list-style-type: none"> • Wife: Zeinab Eid (Head of the English Language Departments in Al Ola Language Schools, Nasr City-Cairo, Egypt). • Son: Hosam Fatahalla (Graduated: Faculty of Economical and Political Sciences (English Section)-Cairo University-Studying nowadays his Ph D in USA. • Daughter: Marwa Fatahalla (Graduated: Faculty of Commerce-English Section-Ain Shams University-(Working in the private sector)
Father	Engineer/ Kamal Fatahalla Undersecretary of State: Ministry of Irrigation
Brothers	<ul style="list-style-type: none"> • Elder Brother: Engineer/ Fatahalla Kamal Fatahalla: Chairman of Board of Directors-El Nasr Company for Castings-Giza, Egypt. • Younger Brother: Accountant/ Hany kamal Fatahalla-Head of Accounting Department-Credit Agricole Bank, Cairo-Egypt.
Home Address	39 Omar Zaafan st., Nasr City, Cairo-Egypt (postal code 11371)
Home Telephone	+202 24010200

Mobile Telephone	Mobile: 01020002946
Office Address	Mechanical Department, Faculty of Engineering, Al Azhar University, Nasr City, Cairo-Egypt (postal code: 11371)
Office Telephone	+202 24820829
